

22[^] Biennial Exhibition for Woodworking Technology and Furniture Supplies

4-8 May 2010 Milan, Rho – Italy

Not only technology, but a rational integration of all wood industry sectors!

Leadership: this is the **largest offering of woodworking technology** and furniture supplies for the worldwide woodworking industry in 2010.

Numbers 2008 edition: more than **853** exhibitors covered **75,000** sqm in an international window on “state of art” technology dedicated to the entire world of wood-furniture. More than **80,000** industry operators from around the world visited the exhibition and **50%** were international visitors.

Full industry sector participation: Xylexpo brings together machines and components for the furniture industry (semi-finished, tools and accessories) in the one event.

The advantages:

1. Xylexpo offers **innovative** technologies and materials;
2. Xylexpo showcases the **complete production lines**;
3. Xylexpo has **42 years of experience and history**.

Location: the exhibition will be located in the New Fieramilano Fairgrounds in Rho, which is easily accessible from Milan’s city centre and suburbs.

Pre-registration: the entrance to the exhibition is **free** and for operators only; an **online pre-registration** service will be active on www.xylexpo.com, and will allow advance ordering of the entrance card.
